Students paying monthly should pay on the first day of their training month e.g. If you started your training on May 17th your next month will begin on June 14th which is when your payment is due.

REFUND POLICY

Students who take advantage of the discounted prices of 6 and 12 months will not be entitled to a refund unless they are injured through fault of the RDS teachers and cannot continue their training. If for some reason they have to return home due to personal reasons, then the remainder of their time at RDS will be left open for them to continue for the remainder of that calendar year.

If you are not 100% sure how much time you have to spend in China, then we recommend you paying monthly as once you have paid your tuition fee you should continue your training to the last day.

For the unexpended balance of their course no refunds will be made to students who do not want to continue their training as a result of their mistake or not wanting for any other reason other than to continue. Refunds will be made for whole calendar months only.

If you cancel your participation for any reason, the cancellation policy below will apply, with no exceptions. We wish we could compensate people for unforeseen circumstances (injury, family emergency, etc.) but we have costs already incurred when reserving your place. We have designed our cancellation policy to be as compassionate as possible in the case that your plans change. But to protect yourself further, we strongly encourage you to purchase travel insurance.

IF YOU CANCEL:

90 days or more prior to your start date, you receive: 100% credit of the cost of the full booking fee towards another stay with us within 12 months.

31-89 days prior to your start date, you receive: 50% credit of the cost of the full booking fee towards another stay with us within 12 months, and will forfeit the remainder.
