REFUND POLICY

Guests who take advantage of any discounted prices will not be entitled to a refund unless they are injured through fault of the RDS teachers/ coaches and cannot continue their training. If for some reason they have to return home due to personal reasons, then the remainder of their time at RDS will be left open for them to continue for the remainder of that calendar year.

If you are not 100% sure how much time you have to spend with us, then we recommend you paying monthly as once you have paid your tuition fee you should continue your training to the last day.

Refunds will be made for whole calendar months only.

MEDICAL INFORMATION

Anyone attending an RDS training facility or retreat should inform us in the booking form or by email prior to arrival of anything that could prohibit you from exercise such as an injury, illness or strong medications. You should also tell us of any history of mental illness or drug addiction as all of our training facilities require guests to be social around other guests and members of staff.

If you fail to inform us of any of the above or similar and we later find out that you have been dishonest in your application then RDS has the right to eject you from our premises immediately without recourse or refund!

If you cancel your participation for any reason, the cancellation policy below will apply, with no exceptions. We wish we could compensate people for unforeseen circumstances (injury, family emergency, etc.) but we have costs already incurred when reserving your place. We have designed our cancellation policy to be as compassionate as possible in the case that your plans change. But to protect yourself further, we strongly encourage you to purchase travel insurance.
